

TITLE: Access Restriction Fencing

DATE: 03/26/2018

PROJECT: Construction Package No. 2-3

CONTRACT NO: HSR13-57

CONTRACTOR: Attn: Michael Costa
 Dragados / Flatiron Joint Venture
 1775 Park St, Bldg 75
 Selma, CA 93662

DESCRIPTION OF CHANGE:

This Change Order is to implement Authority's Directive Letter Nos. 00066, 00066.1, and 00066.2 (DL-00066, DL-00066.1, DL-00066.2) for revisions to the Access Restriction Fencing into DFJV's Design Phase Work. This Change Order will cover the cost for the Scope of Work (SOW) covered per DFJV's Subcontractor, Jacobs Engineering, in Jacobs Change Notice No. CN-149 titled "Access Restriction Fencing DL 00066, 00066.1, 00066.2," dated November 22, 2017 attached to DFJV's COP No. 161 Letter DFJV-HSR-0952 dated December 18, 2017.

The compensation in this Change Order is per Section 17.4 and Section 23.0 of the General Provisions. These costs are agreed as full and complete costs for Jacobs Engineering and lower-tiered Subcontractors for increased Design Phase effort for Design Concept & Design SOW per DL-00066, DL-00066.1 and DL-00066.2.

The alleged cost of Design Phase Work for Project Management, Administration, Quality Assurance, and Other Direct Costs (ODCs) submitted by Jacobs Engineering was evaluated but not included in this Change Order since Jacobs Engineering could not come to an agreement as to the Authority's estimated cost for the same. Jacobs Engineering voluntarily deferred these costs and, instead, reserves the right to include these costs for evaluation by the Authority as part of a time impact to the overall schedule.

This Change Order also includes the cost of Bond and Insurance required for increase in the SOW.

Any potential V&V costs during the Design Phase to implement the Authority's DL-00066, DL-00066.1 and DL-00066.2 will be covered under a forthcoming Change Order after the cost of these services are determined and agreed between DFJV and the Authority.

The cost of DFJV's Support Work during the Design Phase, and the cost of Construction Work, Construction Support Services, VV&SC required during the Construction Phase to implement the Authority's DL-00066, DL-00066.1 and DL-00066.2 will be covered under a forthcoming Change Order after the cost of these services are determined and agreed between DFJV and the Authority.
